It is an interactive training course open to the public for the purpose of skill development in dealing with individuals who are experiencing mental health issues. Upon completion, this program will provide the participant with a 3 year certificate in MHFA. The cost is \$100.00 per person and will be held at Comstock Community Center. D. Graybill suggested that the media be contacted so that this program could be advertised to the community.

Gift-Giving Program: C. Pierce asked to table our continued discussion due to the fact that she has not had the opportunity to speak with the individuals in charge.

New clients with financial issues: P. Kapiscian is proving to be invaluable in the assistance of our community members. Due to her expertise she is able to expedite and problem solve in a short period of time aiding the department clients in attaining quick financial assistance. C.
