A motion was made by Commissioner Sauvigne, seconded by Commissioner Waters, to scramble the agenda to discuss the building committee report. Motion carried 3-0.

OLD BUSINESS

A. Building Committee Report

First Selectwoman Vanderslice reported that there are proposals pending in the current legislative session that, if enacted, would encourage or force regionalization of certain functions such as Dispatch. It is a very fluid situation as to what functions may be the focus, what the incentives/consequences would be, etc. Ms. Vanderslice further reported that there is some interest from nearby municipalities in creating certain regionalized services but that all discussions are preliminary. There are complications to regionalization that include multiple collective bargaining units, coordination of timing and construction with the other municipalities, etc. The ramifications to the Building Committee are that it is highly unlikely that the Town will have the clear direction necessary to put the bonding of the new facility before a Special Town Meeting in November 2019.

DISCUSSION OF MONTHLY REPORTS

Monthly reports were reviewed and discussed. The Commission noted that the number of MV Stops for February was low, and Chief Lynch noted that there have been shift coverage issues which have limited the number of vehicle stops.

The Activity Report for February was reviewed. The Commission noted that activities reported are consistent with prior years. The Detective Bureau report for February did not present any issues.

The MAC Report for February was reviewed. There were no issues, and the activities of the Department were satisfactory.

The SRO Report for February was reviewed and the Commission noted no issues.

The Overtime Report for February was reviewed and the Commissioners noted that the overtime hours are consistent with the prior year.
Chief Lynch reported that the accreditation process has been successfully completed. The Commission recognized the Chief and the Department, notably Sergeant Rangel, for the significant effort involved in completing this process and noted the benefits to the Town that accreditation provides.

There was no K9 Report for March.

Commissioner Waters made a motion to remove Officer Ventura from new-hire probationary status effective April 2, 2019 provided the Chief determines that there has not been a negative change in circumstances. The motion was seconded by Commissioner Sauvigne. Motion carried 3-0.
