Correspondence

We scrambled the agenda as we had a guest (Bob Coleman) that would like to speak to the commission.

Bob spoke and told us about an incident that happened in the community gardens. A remote control plane was being flown in Allen's Meadows and got out of control and almost hit him in the community gardens and did smash into his car causing extensive damage.

Steve is going to check with town council about the remote control airplanes that fly in Allen's Meadows. In the meantime, he will talk to the pilots that fly there, about safety issues. Steve will let Bob know the outcome of both.

Recreation

The Wilton Baseball and Softball Association got to Steve to let him know

that there is only one out of Towner playing on their Legion teams this summer.

Audit

Steve and Joe met with the Board of Finance to discuss the Audit and about cash at Merwin Meadows as were trying to move towards credit cards at the park.

Webster Bank has a new system called “Clover” that Parks and Rec. will use to handle money at Merwin Meadows.

Grounds

Steve told us that there will be a Memorial Service for John Guerra at Merwin Meadows on May 20 at 12:30.

All fields are open.

The grounds crew has laid 5700 ft.² of new sod .
