**MINUTES

OLD TOWN HALL**

Chairman Russell called the meeting to order at 7:36.

Attendance- Russell, Foster, Wulffleff, Quinlan, Foltz, Taylor, Dawson

MINUTES FROM OCTOBER minutes were accepted as written, Quinlan moved, Foltz seconded.

Following the agenda out of order-
DEMOLITIONS

19 Windy Ridge Place- the structure to be demolished was, in fact, a garage. It was impossible to tell if the garage was an historic structure and it was decided that there would be no objection to its demolition.

201 Dudley Road- this structure is a complete demolition- there were no comments.

CCT workshop- Chairman Russell attended the workshop on October 29th. She found that there was little devoted to history issues but she came away with the sense that it was worth pursuing the local government certification. It was learned that a municipality can put signs etc. in a historic district that are not appropriate and a District Commission has no ability to comment.

The meeting was suspended at 7:43 in order to hold the Cannondale HD Public Hearing.

The Commission meeting was reopened at 9:02.

AMBLER FARM HISTORIC PROPERTY

There has been no response from the First Selectman's office. The responses to the First Selectman's questions were sent to all the Selectmen. There is no time constraint on this final step of the process.

CANNONDALE HISTORIC DISTRICT PROPOSAL

There was a discussion about the next steps and the comments by the attendees of the Public Hearing. It was agreed that the Commission would redrew the boundaries of the proposed district taking into account the views expressed at the public hearing. The properties will be renumbered and the map redrawn.

The meeting was adjourned at 10:25, moved Wulffleff, seconded Quinlan.

Respectfully submitted,

Janet Foster
Clerk

The next meeting will be held on December 8, 2008, at the Old Town Hall, 7:30 PM.
