

**Meeting of the PARKS AND RECREATION COMMISSION
of the TOWN OF WILTON meeting on June 15, 2009**

This was a regularly scheduled meeting of the Parks and Recreation Commission. Christine Finkelstein, Chair, called the meeting to order at 7:00 at the Comstock Community Center.

In attendance were Commissioners Christine Finkelstein, Jamie Van Acker, Kevin O'Brien, Joe Burke and Director of Parks and Recreation Steve Pierce.

The minutes from the previous meeting were approved with minor corrections.

There was a motion to approve the draft of the Parks and Recreation Operating Manual. The motion was approved unanimously subject to correcting typographical errors and will be sent to the Board of Selectmen.

Parks and Rec report

There was discussion regarding the watering of trees that were recently planted in town. Parks and Rec does not currently have resources to water them on an ongoing basis.

Parks and Rec has been busy on most days despite the rainy June weather. Work includes cutting lawns, doing repairs or doing maintenance.

4th of July- Everything is set for the 4th of July celebration including fireworks and bands. The police may not direct traffic at the event due to budget issues. There will be police at the 4th of July celebration.

Music Fest- very few musicians are touring. Parks and Rec has a concert by the Laughing Bones (which is a Dead cover band) on 7/19.
P+R is trying to book Gandolf Murphy.

Camp registrations still are not sold out. Registrations have picked up recently but are still below last year's level.

Adjournment

At 9:18 there was no further business to discuss so a motion to adjourn was made and passed. The meeting was adjourned at 9:18.

Respectfully submitted,

Joseph R. Burke, Secretary
Parks and Recreation Commission
